Dear Parents,

We're happy to welcome you to our community. Following is a list of upcoming events and activities that new families should know about.

Each spring, the school hosts spring coffees. These short, lively and informative sessions are a great chance to come to campus and get a preview of the coming school year, meet other parents in next year's class and hear from administrators. You will also receive a parent's perspective on what to expect next year. Parents are asked to attend the coffee for the grades their children will be in next fall. You will receive more information about the coffees in April.
